

Generalized Understanding/Skill Rubric

1 No Concept	2 Beginning	3 Developing	4 Accomplished	5 Mastery
Even with help, no understanding or skill can be demonstrated	With help, a partial understanding of some of the simpler processes and some of the more complex processes	No major errors or omissions regarding the <u>simpler</u> processes, but major errors or omissions regarding the more <u>complex</u> processes	No major errors or omissions regarding <u>any</u> of the processes (simple or complex)	In addition to an accomplished score (4), in-depth understanding or skill demonstrated that goes above and beyond

*If it helps the scorer the word “processes” is emblematic of skills and could be substituted with what fits best for the assessment (i.e. details, information, concepts, ideas)
